

Fox Markets, Green Stamps Going Steady

"Quality and dependability are the key reasons why Fox Markets are happy to give their customers S&H Green Stamps," Robert E. Palmer, executive vice president, Fox Markets, Inc., said.

"Behind the Sperry and Hutchinson Company has a 64-year history of successful merchandising and dependable continuous service," Palmer added.

He explained that there are over 1500 items available for S&H Green Stamps. "The policy of both Fox Markets, Inc. and S&H is 'never keep a lady waiting' — or, in other words have what the customer wants when she wants it."

The Sperry and Hutchinson Company, which gives S&H Green Stamps, is the oldest stamp plan in the country. It has redemption centers from coast to coast, including 46 of them right here in Southern California.

New French Class Slated

A course in conversational French, taught by Mrs. Barbara Klee, will be offered on Wednesdays from 7 to 9:30 p.m. in Torrance Adult School this fall. The class will meet at South High School, 4901 Pacific Coast Hwy.

A former teacher in this area, Mrs. Klee has just returned from Belgium where her husband served as an exchange teacher. In addition to the conversational practice, Mrs. Klee will show slides taken during her residence in Europe. She holds a master's degree in French and studied at the Sorbonne University in Paris.

Those interested may register at the first meeting on Wednesday, Sept. 21.
